**DEFENDANT ALEXANDRU BITTNER’S OBJECTION TO THE FILING OF
PATEL’S AMICUS BRIEF**

Defendant Alexandru Bittner (“Defendant”) submits his Objections to the Filing of the Patel’s Motion for Leave and their Amicus Curiae Brief (ECF Nos. 32, 33, and 34) and respectfully states as follows:

Defendant believes that the proposed brief will not assist the Court in resolving the issues before it. The brief is confusing, unnecessarily lengthy, and reiterates the essential point that Defendant already made in his motion for partial summary judgement (ECF No. 28) – namely, that the failure to timely file an FBAR is a single, per year, violation of the relevant statute and regulations. Additionally, Defendant has not yet submitted his response to Plaintiff’s cross motion for summary judgement (ECF No. 29) with respect to the central legal issue covered by the Patel’s proposed brief. Defendant has capable counsel who will determine what, if any, additional authority or information should be brought to the Court’s attention in order to reach a decision about this legal issue. The Patels’ overall attempt to participate in Defendant’s case before this Court is duplicative and distracting.

Respectfully submitted,
